A Unit Owner in Tierra Catalina owns the air space within the Unit [as described in Article III of the *Declaration of Condominium and of Covenants, Conditions and Restrictions for Tierra Catalina Condominium* (the "CC&Rs")]

The remainder of the Condominium is Common Elements (as described in Article III (A) of the CC&Rs), which are owned by the Unit Owners in equal allocations (as stated in Section 4.1 of the CC&Rs). The maintenance responsibilities of the Unit Owners and the Association are set forth in Article VIII of the CC&Rs.

The Board of Directors is the governing body of the Condominium Association. The Board of Directors has the duty to consistently and non-discriminatorily enforce the CC&Rs and the Rules & Regulations. The Association's Bylaws set forth the operating guidelines for the Association (which also is a non-profit corporation). Any requests, questions, problems or suggestions go to the Board of Directors for discussion and/or a solution. The Board of Directors contracts with a management company to manage the common areas of the property, to bill residents for and collect assessments, and to attend to other matters as directed by the Board of Directors.

Correspondence to the Board of Directors should be mailed or faxed to the management company or emailed to tierracatalinahoa@gmail.com. It will be brought to the attention of the Board at their next meeting.

If you do not have a copy of the CC&Rs or the other governing documents for Tierra Catalina, please visit our website at www.tierracatalina.org.

A first notice of violation will be sent to the Unit Owner of record (via first class mail) with a timetable for corrective action, which will be at least ten (10) business days from the date of the notice. The notice will be sent to the address in the Association's records.

9.2.2. Contents of First Notice. The first notice of violation from the Board of Directors or its authorized agent shall provide at least the following information:

- A. The rule or restriction that allegedly has been violated
- B. Action(s) required to cure the violation.
- C. The date of the violation or the date the violation was observed.
- D. The first and last name of the person(s) who observed the violation.
- E. A copy of this Policy to assure the Unit Owner is aware of the process he or she must follow to contest the notice.

9.2.3. Contesting the Violation. If the Unit Owner wishes to contest the notice of violation, he or she shall provide the Board a written response by certified mail within 10 business days after the date of the Association's notice, requesting any

additional information he or she requires. This response shall be sent to the Association's office at the address shown on the first notice of violation.

9.2.4. Response by Association to Owner. Within ten (10) business days after receipt of the Unit Owner's response, the Board or its authorized agent shall respond to the Unit Owner with a written explanation by certified mail regarding the notice of violation, and shall provide any additional information the Unit Owner reasonably requires.

9.2.5. Notice of Hearing. After the procedure in Paragraphs 9.2.3 – 9.2.4 is completed, or after the initial 10-day notice period set forth in the Association's notice of violation, a follow-up inspection will be conducted by the Board or its authorized agent. If the Unit Owner has not cured the violation within the time specified, the Board may refer the matter directly to the Association's attorney for further action or may send the Unit Owner a "Notice of Hearing" via certified mail, return receipt requested and first class mail, wherein the Owner will be invited to attend the next Board Meeting/Hearing Panel Session and have an opportunity to be heard. The date, time and location of the hearing shall be stated in the Notice of Hearing.

9.2.6. Hearing Panel. A quorum of the Board of Directors shall act as the Hearing Panel at the Board's regularly-scheduled monthly meetings. The Hearing Panel will meet in Executive Session prior to the beginning of the open Board meeting.

9.2.7. Designated Representative. A Unit Owner may present to the Board (prior to or at the Hearing) written notification that another person is the Owner's designated representative. A designated representative may speak on behalf of the Owner.

9.2.8. Procedure for Hearing. Procedure for the Hearing will be set by the Board of Directors. The Unit Owner and his/her designated representative will be informed of the procedure before the Hearing begins. The Unit Owner and/or his/her designated representative will be given an opportunity to present supporting documentation and testimony to show cause why further enforcement action should not be authorized by the Board, which could include the levy of a monetary penalty and/or referral of the matter to the Association's attorney. Monetary penalties for failure to comply with the various CC&Rs or Rules and Regulations will be from \$50.00 to \$500.00 depending on the severity of the problem.

9.2.9. Proof of Delivery of Notice. Proof of delivery to the Unit Owner of the Notice of Hearing shall be deemed adequate if a copy of the Notice, together with a statement of the date and manner of delivery is entered into the minutes of the meeting, by the officer, director, or agent who mailed or delivered the Notice.

9.2.10. Procedure if Owner or Representative Does Not Appear. If the Unit Owner or his/her designated representative does not appear at the hearing, the Board may levy a monetary penalty and/or refer the matter to the Association's attorney for further action.

9.2.11. Hearing Panel's Decision. Notice shall be sent to the Unit Owner by the Board or its designated agent, within fifteen (15) days after the date of the Hearing, stating the Hearing Panel's decision, including the amount of any monetary penalty that may have been imposed by the Board, and its due date.

9.2.12. Post-Hearing Grace Period. An additional grace period of 10 days, beyond the date of the Hearing, may be granted for correction of any violation brought before the Hearing Panel. Failure to correct said violation within that time frame will result in the monetary penalty that may have been specified for the violation being imposed retroactive to the date of the Hearing. The Board may impose the monetary penalty without a grace period.

9.2.13. Delinquency of Penalty. Any monetary penalty imposed, which has not been paid within thirty (30) days after its stated due date shall be delinquent, and a late charge of \$15.00 shall be added to the penalty.

9.2.14. Repeat Violations. The monetary penalty imposed may include a provision for the imposition of additional monetary penalties for each repeat or continuing instance of noncompliance of the violation that was the subject of the Hearing. Thus, daily (or other periodic) penalties for violation of a rule or restriction may accrue for ongoing issues of noncompliance until the violation is corrected or has ceased.

9.3. Collection of Penalties. The Association has a lien for penalties and associated late charges, attorney fees and costs, imposed for violation of a rule or restriction, after the entry of a judgment in a civil suit for penalties, late charges and associated attorney fees and costs, by a court of competent jurisdiction, and the recording of that judgment in the office of the Pima County Recorder. This lien is effective on conveyance of any interest in the subject Unit. The Association may collect the amounts due under the judgment prior to conveyance of the Unit, by any lawful means.

9.4. Cumulative Rights and Remedies. All rights and remedies of the Association at law or in equity are cumulative, and the exercise of one right or remedy shall not waive the Association's right to exercise another right or remedy. This means that the Association's Board can decide to bring a lawsuit against an owner to enforce an applicable rule, restriction or statute in addition to or instead of imposing a monetary penalty.

ARTICLE 10

ASSESSMENT COLLECTION POLICY

10.1. Due Dates. The annual assessment, as determined by the Board in accordance with Article X of the CC&Rs, shall be payable in advance, in twelve (12) installments due on the first (1st) day of each month. Assessments or other charges not paid to the Association by the thirtieth (30th) day of the month in which they are due shall be considered past due and delinquent.

10.2. Billing Statement. The Association may, but shall not be required, to provide a billing statement or payment coupon book to an Owner. Non-receipt of a billing statement or payment coupon book shall in no way relieve the Owner of the obligation to pay the amount due by the due date.

10.3. Late Charges and Interest. Interest accrues at the rate of 12% per annum, on all delinquent assessments. A late fee of \$15.00 is charged if the monthly installment of annual assessment is not received by the Association on or before the 30th of the month in which the assessment installment is due. After late fees are added to the account, they become assessments and interest also accrues on unpaid late fees.

10.4. Acceleration of Assessment. If any installment of any assessment levied against a Unit remains unpaid for ninety (90) days beyond the due date, the Association may accelerate the remainder of the assessment installments and declare them due and payable in full.

10.5. Late Notices & Referral to Attorney for Collection.

10.5.1. After a monthly assessment or other charge due the Association becomes thirty (30) days past due, the Association may cause, but shall not be required to send, a "late notice" to the Unit Owner who is delinquent in payment.

10.5.2. After a monthly assessment or other charge due the Association becomes sixty (60) days past due, the Association may cause, but shall not be required to send, a "second notice" to the Unit owner who is delinquent in payment.

10.5.3. If payment in full is not received within ninety (90) days, the Association will refer the account to an attorney for collection.

10.6. Liens. The Association may file a Notice of Lien against the Unit of any delinquent owner in accordance with the terms and provisions of the CC&Rs. However, the Association's lien arises in the CC&Rs, and no Notice is required to be filed for the lien to be in force.

10.7. Return Check Charges. A \$15.00 fee (or different amount deemed appropriate by the Board of Directors) shall be assessed against an Owner in the event any check or other instrument attributable to or payable for the benefit of such Owner is not honored by the bank or is returned by the bank for any reason whatsoever, including but not limited to, insufficient funds. This returned check charge shall be a "common expense" for each Owner who tenders payment by check or other instrument that is not honored

by the bank upon which it is drawn. Such return check charges shall be due and payable immediately, upon demand. Notwithstanding this provision, the Association shall be entitled to all additional remedies as may be provided by applicable law. Returned check charges shall be the obligation of the Owner(s) of the Unit for which payment was tendered to the Association. Returned check charges shall become effective on any instrument tendered to the Association for payment of sums due under the governing documents for the Association.

10.8. Required Payment by Certified Funds. If two or more of a Unit Owner's checks are returned unpaid by the bank within any fiscal year, the Association may require that all of the Unit Owner's future payments, for a period of one year, be made by certified check or money order.

10.9. Attorney Fees and Costs. Attorney fees and collection costs incurred by the Association for collection of delinquent assessments will be added to the amount due from the Owner and will also be a lien against the Unit.

10.10. Discontinuance of Water Service. At the Board's discretion, water service may be discontinued to the Units of Owner who are at least ninety (90) days delinquent in payment to the Association of Assessments and associated charges. The Board shall follow the procedures set forth in the policy it adopted in this regard.
